Introduction to Numicon Firm Foundations and the Inspire Maths (Singapore Maths) approach in EYFS

Underpinning the Singapore approach to teaching

Attendees: EYFS teachers, Maths Coordinators and Phase leaders

After many requests **Prince Bishops Teaching School Alliance** are again working with leading UK **Singapore Maths experts** to discover how **Numicon Firm Foundations** and the **Inspire Maths** approach embed deep conceptual understanding and support successful transition from Foundation Stage to KS1.

In this interactive session you will investigate:

- How to ensure a successful transition from Numicon Foundation stage to Inspire Maths 1
- How to embed deep conceptual understanding
- The parallel theories underpinning Numicon and Inspire Maths
- The core principles of the Singapore approach to teaching and learning mathematics
- The development of early mathematical thinking and mathematical conversations

Led by Sue Lowndes and her team of UK Singapore maths experts, the **Inspire Maths School Improvement** implementation programme builds a professional learning community to support school leaders in implementing the programme for sustained school improvement in mathematics teaching and learning. 'Inspiring Maths' promises to be an exciting course where practitioners will have many and varied opportunities to learn new techniques leading to confident and skilled
