Attendees: Head Teachers, EYFS leads and EYFS teachers

After many requests Prince Bishops Teaching School Alliance are again working with Kathy Biggio. Kathy has over **28 years EYFS experience** and was a Senior Teacher Advisor for Early Years at Lancashire County Council. Kathy was also employed in an advisory capacity in Blackburn with Darwen Local Authority and has been working as an independent trainer & advisor for 6 years.

This completely revised course will enable schools to reflect on their own EYFS departments to ensure they are best able to meet the current focus of inspection. This includes:

- Evidencing progression in learning across each year group in EYFS through effective baselining & tracking alongside the collection of appropriate evidence crucial in substantiating tracking for all children including disadvantaged children .
- Ensuring leadership and management of EYFS is monitoring provision through effective observation of teaching and learning. This section will also consider the adult role, effective assessment and creating an action plan for ongoing development of EYFS in order to impact on outcomes.
- An understanding of the importance of using Early Years pupil premium effectively in EYFS for EYFS children.
- The use of incisive performance management to develop practitioners working in EYFS as a key tool to ensure outcomes are improving.
- Ensuring an effective learning environment inside and outside to promote child initiated learning.
- Ensuring adult directed learning alongside child initiated learning is developed effectively to meet the needs of all children.

Comments from previous cohort

The course delivered exactly what it said it would – lots to consider back at school.

Brilliant and informative – I love being challenged! Thank you – my head is spinning now!

Kathy is a force to be reckoned with but luckily I agreed with what she was saying. I now feel very confident to defend our Early Years practice. Thank you.

A very knowledgeable presenter.

Being able to justify why we do something, having confidence that what we do has impact! Evidencing impact!

Good ideas to take away and put in place.

Ofsted requirements thoroughly explored. Exploring and developing own delivery and planning a practice. Good ideas and explanations.

Sound knowledge! I have greater understanding of EYFS Ofsted framework and the impact on the rest of the school and can further develop the cohesion already in place.

I have taken so much from today – it has made me want to ensure that myself and my support staff are up to date and confident in subject knowledge...which upon reflection is not good enough! Thank you!

Challenging and reassuring in equal measure! Lots to think about – thank you!

So much food for thought, thank you Kathy!
