## Mastery Maths in the Early Years Foundation Stage

Tuesday 28<sup>th</sup> April 2020

Prince Bishops Teaching School Alliance are thrilled to be working with Rachel Rayner to deliver this 1-day course. Rachel Rayner is a maths curriculum enthusiast who has been working on effective curriculum design alongside schools as well as for publishers and school improvement providers. When not working as an independent consultant, she works for Herts for Learning as a maths adviser and Oxford University Press as a trainer and author. She has been delighted to have worked with Prince Bishop's Teaching School Alliance for the last four years and is very excited to be working with Benedict Biscop C.E Academy and the Early Years Team.

**This course is suitable for Early Years Practitioners, Early Years Teachers and Leaders.**

'Digging Deep – Maths in the Early Years Foundation Stage' promises to be an exciting professional development course where participants will spend time in an OUTSTANDING EYFS setting, deepen subject knowledge of Mathematics, explore the role of the adult in facilitating mathematical opportunities through play and explore concise documentation of maths evidence.

To reserve your place on this workshop, please contact Danielle Maddison on 0191 5947033 or email [officemanager@benedictbiscopacademy.co.uk](mailto:officemanager@benedictbiscopacademy.co.uk)
